Dear Mr. Veysey,

Enclosed is a sample removal order that you requested in our phone conversation of July 22, 1987. Please keep in mind that the order for Marjol Battery may be substantially different, depending on the nature of the work to be performed. I hope that the sample order will at least give you an idea of what we look for in a removal.

Also, I will be expecting your index of the Marjol Battery files the week of July 27 and the completed work plan the week of August 10th. I hope that we can then set up a meeting to discuss the work and details of a consent order for the site.

If you have any questions, please call me at (215) 597-8069.

Sincerely,

Rosanne Mistretta
